

PLMS : End of School Planner

Next week, PLMS students will be completing all work, cleaning out lockers, returning texts and other materials. Along with regular end of year activities our students are taking their reward trips paid for by their fundraiser from the beginning of the year. Grade 7 will go on Monday and grades 5 & 6 on Tuesday.

At the April board meeting the Board of Education eliminated the half-day of school originally scheduled for May 26. **The last day of school is now Tuesday, May 25.**
